

Abby Case

April 9, 1993 - January 24, 2012

Abby Case, AKC name: Sweet Abigail My Love Arrow Abby came to us the week after Mother's Day, 1995. Judy Burrell, Abby's original owner and a friend of Marie Case, passed away suddenly the day after Mother's Day. She had told Marie many times if something happened to her to take Abby. We did, and what a bundle of joy for a small, seven pound doll. We called her "Dibber" also, because Judy had always called her "Abby Dabby Dibber Do". She had a good life. We loved her very much and she was a joy to have as a companion.

Abby was definitely Marie's dog. As Abby got older, and especially toward her last years, Marie took extra care of Abby, making sure she took her medicine and keeping her in good spirits.

Abby, we miss you and we love you as much as you loved us. We will see you soon at the Rainbow Bridge.

Your loving parents,
Warren and Marie Case
