“ *Abbey was the sweetest baby in the world. All she wanted was to please, love and be loved. She loved to steal socks and any paper products to shred to get our attention. She loved to go camping, but she had to have her own blow up mattress in the tent because she couldn't sleep on the hard ground! She was definitely spoiled and loved so much by so many people. It is going to take a long time to get over her absence, but we know she is in a better place. Meadow Brook Animal Clinic and Family Pet Cremation have made this experience a lot more tolerable. They gave us a special imprint of her paw with a lock of her hair.* ❤️🐾
