“ Ace was the best example of unconditional love! He was a member of my family for 13 years and saw many strays and rescues come and go in our home - he was always a trooper! Although he weighed over 70 pounds, he was my lap baby up until the day he crossed the rainbow bridge. He loved to play fetch with his ball. My time in the yard will never be the same without him and his ball💔🐾💔

I remember the day Bobby R. Brought Ace home to Brittini in Ohio. He has been a very good addition to the family. We will miss him. Love Nanny.
