“ *On June 7, 2017, at only 7 years of age, my beautiful black beauty, Ace Swan, died in my arms. We had to let him go because of his pain. My beautiful black beauty was such a gentle soul. So Zen when everything was falling apart. My little soulmate who knew me so well is missed so much.*

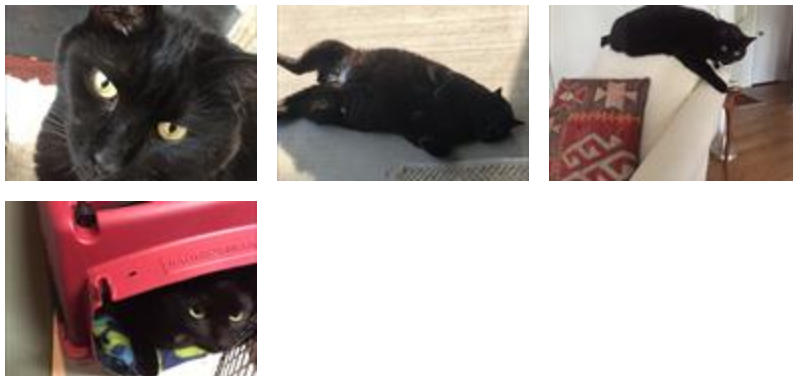

We are all lost without your presence, sweetheart. I know you will be waiting at the Rainbow Bridge.

*Love,
Mom*
