

Ares Lacy

October 23, 2025

11/26/2008 - 10/23/2025

Ares was the sweetest and most lovable furbaby. Although he was little he fit his name perfectly. He was the boss and he'd fuss at his brothers, Cronus and Deimos, if he thought they were playing too rough; when he barked his whole body would bounce. He loved all his toys but tennis balls was his favorite toy. We love and miss him so much.
