"It's with incredible devastation to say we had to let our sweet, perfect boy go after 14 years. There are no words to describe the pain Brandon and I feel...we didn't know loss could hurt this badly. He was the absolute most loyal, loving, and MAJESTIC companion. He was there for me at times in my life when no one else was... I truly believe, many years ago...he saved my life, with his unconditional love.

We have always been a family of 4...and now there's 3... we're not sure how we do that now.

Artie, we love you so incredibly much, will miss you every day, and will always remember your love and cherish your memories always.

Thank you, our precious, beautiful, PERFECT boy for all the many years of your kisses, laughs, snuggles, and true unconditional love. Thank you for teaching us how to love, leading us, protecting us, and making us a family.

Now go eat all the treats and have all the snuggles you've ever wanted. FLY HIGH AND REST, OUR MAJESTIC BOY! WE LOVE YOU AND WILL HONOR YOU ALWAYS! blue_heart
