"Ashley was such a good girl! She was more than a pet, she was part of the ourfamily. She was our best friend and everyone's companion. She brought so much happiness and love into our lives when we all needed it the most. We know she is in heaven and no longer in pain. Ashley will be missed more than she will ever know.

Until we meet again my sweet angel." - Brooke

One of my babies lost her longtime pet baby the other day. Ashley was loving, sweet and stayed by Brooke's side thru thick & thin. I truly believe "all dogs go to heaven!"

The loss of this wonderful dog is so enormous, I can't even begin to put into words. My heart hurts for our loss. Ashley was such a wonderful companion, friend, and comforter for us. She could make you feel like everything would be ok just by looking at you with her big beautiful eyes. She will be missed and mourned for a very long time. There will never be another one like Ashley.

This is so sad. She was my bed mate in Florida. She didn't have a mean bone in her body.
