

Aslan Strawbridge

December 8, 2018

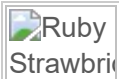

No obituary found for this tribute.

Tribute Wall

DS

“ I loved his big back feet! I called them bunny feet. He was so beautiful. He had a slow cool pace to life. Like he was too cool to be bothered with things. He was a good boy.

Diane Strawbridge - December 17, 2018 at 05:47 PM

When I was holding him, after he crossed the rainbow bridge, I kept petting his bunny feet. I even told the vet that we always said he had bunny feet. It was one of his most adorable features. I miss those.
