“ *This is our Augustine, who affectionately known as "Steenie" over his 14 years with us. When we first adopted him, he was so regal that we named him Augustine Winston Wiggins; however, that really did not fit his personality - so he became Steenie. Steenie was one of a kind. He was stingy with his love, but when he loved you, it was so amazing. He was a mama's boy and became my shadow the last several years of his life. He endured a lot during his life from being on the wrong side of fights with our big girl (Steenie was not a fighter), liver cancer and ultimately dementia. He fought so hard but finally he was ready to be with all his other brothers and sisters. I, on the other hand, was not ready as you never are with your fur-babies. He was my special baby and I miss him so much. Fly high sweet boy and have the best time at the Rainbow Bridge. I will be with you again.*
