April 17, 2014 - January 27, 2025

April 17, 2014 - January 27, 2025. From the time you entered my life to the day you departed you changed my life. I would have never guessed you would leave me this way but I know you had to go. My love for you will never fade and I will continue to carry your love for me forever.

“ *Bam Bam you will truly be missed. Thank you for being the bestest friend to my brother. You came into so many people lives and made it brighter. You were my 1st pet (not really but really). I love you so much. Up there in doggy heaven remember to tell them you bougie, you like to be carried no walking, u prefer fresh food not frozen or canned and the occasional fast food drive thru stops are appreciated. You are missed and Forever will be in our hearts.

*He loved you so much! You know you did introduce him to chicken nugget. I remember you telling me Bam won't eat his food. I was like yeah because he is waiting on the late night chicken nugget run....*
