“ *Bay Bay was my Beautiful Daughter for 16-1/2" Long Wonderful Years. She was know as the Little Princess to all who knew her, except her younger brother Jet, (to whom she beat up regularly, but loved none the less).. Who had unfortunately pasted away a few years ago. Bay Bay was born on a farm in Columbia Missouri in April 1999. She lived there until I was lucky enough to find her (at 10 wks) through friends and she came to live with me for the remainder of her years. Although being born in Columbia, MO, she was an avid OSU Buckeye Fan, O-H-I-O! She had moved several times within those 16-1/2 years, with the last move being at the end of this year when she was my co-pilot to the Hoover Area. Bay Bay will be missed terribly and I know she would be honored if any of you that would have the resources to help out other 4 legged friend, PLEASE do so. They can not speak for themselves and need us to help spread the word of Kindness and Love. I would also like to thank this website to help with the grieving process and bringing awareness to help other in need!*

good night Beautiful Princess!

Love and Miss you,

Mommy and Daddy
