“ *Bella was born 7/31/2007 and crossed the Rainbow Bridge on 12/06/2021. She loved taking me on several walks a day, chasing lizards and squirrels when she was younger, eating treats (especially cheese) and lots of love and belly rubs! She was the sweetest most perfect little buddy ever and I miss her so much it hurts! Receiving her remains gave me a lot of comfort. She is home now* 💔💔
