

Bella Montgomery

July 1, 2024

Bella was eleven years and eleven months and would have been twelve on 7.13.24. She was such a mama's girl and loved her mama unconditionally for her almost twelve years and mama loved her just as much. She was seven pounds of pure love!! She loved to give her mama kisses and lay on the bed and rest. There will never be another Bella Montgomery and she is loved and missed more than words can describe! She will always be in her mama's heart and hold a huge part of it and will never be forgotten!!
