

Bella Sanders

December 23, 2024

My sweet Bella, from the moment u were brung into my life at just 6 weeks old and the years I had you, you was a blessing to our family. You were sweet at times always loved to be cuddled and always had to lay on me like u was a big baby. I miss you so much sweet girl you'll forever hold a special place in my heart, home ain't the same without u there we miss you baby girl
