“ Ben was our sweet yellow lab. He became a part of our family when our son Elijah was 4 years old. Ben tore up my plants, dug holes in our yard & was an all around fun puppy! He was a true friend to Elijah and us his whole life. He never hurt a soul and made friends with any and all that visited! He even had a few cats that were his pretty good friends! Ben was the best dog we could have ever asked for and he will be missed in so many ways. The great memories that we have of Ben will live forever in our hearts and minds. Rest In Peace sweet Ben.
