AA

“ We had to say goodbye to Benji today. He was our 3rd pet to lose in the past year, plus two of our daughter's dogs. Like all of our pets, Benji was a big part of our life. He was adopted by our youngest daughter, but came to live with us when he was 6 months old. He loved the lake and whenever we were outside, he was always cantering non-stop. He was never in a bad mood and loved playing with our grandson. He even survived a rattlesnake bite to his back foot. Benji was dearly loved and spoiled rotten, as our pets should be. My husband often jokes that our animals eat better than we do. RIP dear Benji. I know you and Dubya are together again.
