

## Bentley Bell

October 26, 2023

"My sweet buddy. You gave me the best 12 1/2 years. I would do it all over again just to have you back here with me. The whole process from beginning to end with family Pet Cremation was heartfelt. From the initial phone call, Sam and his team made me feel at ease. I'm glad to have my buddy back with me at home." - Peyton Bell
