“ *My Sweet Bitsy aka BB/Clairece. You were a joy in our lives. We had you for 18 yrs. Wished we had 18 more. But your time in earth was done. I know your in a better place and you are with Mimi. We will miss your demands for treats and when it was dinner time. You kept us on our toes. You were comical. Tilly and Cooper have missed you. Cooper doesn't get to steal your food anymore and that has confused him. They will go and lay were your bed use to be. I miss how you would hop/gallup to the kitchen to get your treat or your food. Rest well my sweet girl. Love and miss you. April 2003 to November 30th 2021.*
