“ My husband and I got Blanca along with her sister Amber when we lived in Houston, tx in 2003. My husband was 18 and I was 19. We are well into our thirties now, with our twin boys that are only 2, and a baby Mason on the way. Our boys miss her very much. Blanca was a big part of our life and she had a very big personality, she was the boss! We love you and will see you again one-day my sweet little kitty.
