“ *Boca loved his adventures outside. Starting with him pawing at the back door till he got out. Being gone for 2 weeks to learn location and ever since it was habit to let him out to get fresh air. The outdoors was his happy place. He always came when called (Boca bedtime, he loved bedtime) or would come to check in and then back he would go. There was never any stopping him.*

Boca was very vocal from the time he was born. Very playful in his young years but was just happy and content as an older cat. Sadie our dog played rough with Boca, Boca did not care for it but Sadie never left his side and they slept together. We are all gonna miss Boca more than anyone could possibly know! He has been through every tough situation in my life and my buddy on my 16hr drive from CT to AL. Boca you were always my calm, without you it's not the same, there will always be a missing piece without you. We love you so much!!!! Go be an adventurous spirit, big hugs Boca baby, mommy loves you!
