“ *Bonnie was a beautiful chocolate long-haired dachshund born Nov 7, 2007. She came to us at 5 weeks plus 2 days old and was already paper trained. She was a 24/7 ball player until Cushings disease and an enlarged heart stole her health. She was a Christmas dog. When the Christmas tree went up she started her vigil near her stocking. She loved to wade in puddles and creeks, not swim, just wade. Playing ball in a creek was the best. We lost her Mar 11, 2020.*
