He rescued us 10.5 years ago,,,,,he gave us some really great years and I hope we gave him the best years of his life. We love him more than then he will ever understand and we know he loves us. It's said that if you have animals throughout your life you will have a "Once in a Lifetime" animal and he was ours. He had the perfect temperament, personality, and NOT the first bad vice. We are so grateful for the ladies at Barks Rescue for getting Boots out of an unsafe situation which in turn lead him to us.

*We love you!
