I cannot put into words the enormous pain we have felt since the loss of our sweet girl Brie! On December 8,, 2022 our precious girl crossed over the rainbow bridge. Brie brought us so much love & happiness in the 15 years that we were blessed to have her in our lives. We know you are waiting for us and we have no doubt that we will see you again sweet girl. We will never forget you & we will always love you.

Much love,

Mom & Dad
