“ Goodness I miss my friend so very much. I didn't know you could even get that close to an animal. What I would do for one more day!!!! Don't get any second chances on these kinda things. I'll see him again one day.

“ He was a special boy. Such a sweet dog. I remember us all being at the lake and him riding in the boat with us wearing his little goggles to protect his eyes. He loved it. He loved being around people. He had a good life and was very loved.

Yes ma'am he surely did. It would tickle me how as long as the boat was going he was sitting right there in my lap with his sunglasses goggles but as soon as we stop he would hop down take them goggles off and be ready for whatever was next. I miss my little buddy. God knows I do
