“ Born July 31, 2008 passed April 19, 2018. We miss our Male Boxer, Buddy Boy dearly. Lost him in April 2018 in what we ultimately think a brain tumor was to blame. He developed Epileptic type seizures for a month and the progressively got worse. He was my sweet boy. You could just look into his eyes and feel his sweet soul. We had him cremated and he is now laid to rest next to his sister Corona (whom we lost 1/1/2018 at age 10). I never thought losing my own pets would be this hard.
