“ Buddy was around 6 weeks old when we found him on the side of the road in St. Clair County Alabama in December 2002. He started out like a little ball of fur but soon grew into a big boy! Buddy loved ROCKS! He would find the biggest rock and walk around the yard with it and if we tried to get it from him, he would take off in a fast pace to keep it from us. He was the funniest thing when it came to his rocks. Buddy brought over 11 years of happiness and fun to our family. We miss him so much ... it's just not the same without our Buddy boy!
