“ Buddie you were the best Buddie a person could have, you have seen and visited so many places in your little short life that you have enjoyed. With us being put out of hotels, barking at strangers, and most of all loving your family. MeMe and Squirt truly miss you along with all of us. But I do have something from you that I can always talk with you. You were GREAT>

“Buddy u were my partner in crime, we have traveled from Nashville, Tennessee, to Birmingham for 1 and half years. You have visited many hotels,we been put on of hotels, in Decatur, bark at the people and the other dogs at the park, visited other neighbors, and ate ice cream. You entered into my life at a time when I needed a friend, and u were there. Your memories will forever be in my heart.
