

Buddy Kornegay

October 17, 2023

Buddy Kornegay was adopted January 2012 on our one year anniversary from the Montgomery Humane Society where he jumped in his mom's purse and demanded to be taken home. He was a Russian blue with a beautiful, thick blue coat. He loved to sleep in his mom's arms all snuggled up whether on the couch or in the bed. Whenever his other mom cross stitched he loved to curl up above her head on the couch. Buddy also took joy in chasing his older sister, Chi Chi around the house. He was loved by so many. Buddy was especially loved deeply and dearly by his mom's and his sister. He was truly one of a kind. Little (BIG) buddy you will always hold a remarkable place in our hearts. We will always love you Buddy.

Love,

Megan, Mandy, and Chi Chi
