JP

“ Our dear Buddy was one of the sweetest most love able animals in the world. He was a 95 lbs lapdog and would wash your cheeks with that huge pitbull tounge, he loved to give his people kisses. He stole our hearts when he was just a pup and we will always miss him. He is forever in our hearts 🐾. He left us way to young do to that ugly disease cancer , at least he is at peace now and not in any pain. He is with God now and playing with the other family pets. And having fun. We love and miss you forever our darling Buddy. Love Grandma and Grandpa ❤️❤️
