“ *Kaylor lit a candle in memory of Bull Fewell*

Kaylor - March 08, 2020 at 09:42 PM

KH

“ *Bull was always the first to greet you, and the last one to walk you out. He always wanted to be loved, and you could never stop yourself from giving him some pets. Even though you always ended up with another dogs worth of hair on your hands and clothes. Bull, I will always miss you and there is a place in my heart that will always be filled with your whining for love. I love you, Bull.*
