“ *My precious Buster, I brought you home today, and it was so hard. I look at that box, and I can not begin to describe how my heart hurts. I miss you so much; you were my best friend for 14 beautiful years. I think of you every day and I wish I could say it's getting easier, but it's not. I love you Buster and I know one day I will see you again.*

“ I had my precious fur baby for 14 years, and I love him very much. Buster, I want you to know I think about you every single day, and I would do anything to hold you one more time. I miss you like crazy! It's so hard as I sit here and write this; my heart is broken. I do give God thanks and praise that he allowed me to have you for so long. It was the best 14 years, and I will never forget you. I know one day I will get to see you again, and it will be a happy time. Buster may you rest in peace, and I love you. ❤️
