“ *Buster, a Basset Hound with a black dot on his head and one blue eye was born on December 12, 1998 in Shelby County, AL. He came into my life on Sunday January 24, 1999. A bright and sunny afternoon. Since that day, he was a very precious and large part of my life. Feeding time in the mornings was always my favorite time with him. He always greeted me jumping and giving his little special smile. He was a stubborn little boy year after year, but that was just something I had to deal with. Every time I looked down I could always find him near my side. I will keep you in my heart and my heart will keep you in my soul forever. I will always love you, my little man. I want to give my deepest thanks and gratitude to the staff at Argo Animal Clinic, Dr. Tommy Johnson and Dr. Philip Gleason for their years of dedication and love for Buster. They are amazing people and I highly recommend them to any loving pet owner!! Also, I want to thank Fran Bryant Birkhimer and Larry Birkhimer at the Dawg Patch in Springville, AL. Fran and Larry always kept Buster comfortable during my travels. Thank you all for your kind condolences to Buster. Buster, thank you for bringing me so much life and joy.*
