“Katy was and will always be my everything in life. We loved our special moments together each day! I will cherish those memories for the rest of my life. She used to wait for me at the door when I would come home from work each day. She would get so happy and "talk" to me all the way into the kitchen! Cracking open a can of Fancy Feast will never be the same. She sure did love her some "fat girl food"!!! No matter what I was hoping through, she was ALWAYS there for me. She has been the only constant in my life outside of my mother. Katy never hurt me, never lied to me. She never used me or stole from me. She loved me unconditionally even when I felt completely unlovable. She was the glue that kept all of my broken pieces together. A huge part of me went with Katy when she passed. I hope and pray that she knows how much I love her and that I'll be expecting to see her when I open the "forever door"! Fat girl food and Bays love forever!!!! I love you Baysie-Mays <3
