“ Casey came to us by accident in March 2001. She was a stray who would not let us touch her until one morning she appeared with injuries to her face and immediately came when I went outside. We took her in, cleaned her up, and made an appointment with Dr. Hoke. He guessed she was about 6 months old, about to go into heat, and had been attacked by another dog. As the saying goes, the rest is history. From March 2001 until her death on 1/9/18 Casey was a loving member of our family and is missed by all. We love you Baby Girl.
