

Casper Carter

July 27, 2020

Many thanks to Dr. Petras at Grants Mill Animal Clinic for her assistance, patience and support during this difficult journey. She was his vet from the day we brought him home until he had to cross over the rainbow bridge. We miss him terribly; but, know that he is no longer tired. He was such a trouper and while tired and confused about why he couldn't do everything he use to do, he continued to give his love.
