“ *Champer will always be a special part of our family, and he will always have a special place in our heart, this dog knew that he was dearly loved to the very end. He was such a sweet little person, really never was treated like a dog, he was our little child. Rachel out grew him, and then Glenn and I picked him up from that point, and took care of him to the very end. We have lots of memories to share of his 15 years of being with him, and we both know that we will see him at the end, he will be waiting at the bridge wanting his peeps, and his turkey bacon..... (his favorite). Always on our mind, heart, and soul. Love you, and miss you so, so much!!! Glenn, Cynthia, and Rachel*

Yes, I remember these pictures the girls put stickers on him and he did not even care. Thanks so much for all that you did for Champer, he always enjoyed the walk with the girls, I can remember when they would fuss to see who got to carry the lease first.
