

Charlie Burgin

May 28, 2023

Our dearest Charlie, "Charlie Mac", "Hines Hill Duke of Birmingham" (AKC) beloved Border Terrier.

In Charlie's younger years he loved to go for short walks, chase the ball but, never give it back, ride in the car with his head hanging out of the window, lick the cat's head until she slapped him silly, sleep in between his mommy and daddy or find the only sleeping family member in the house to cuddle with and always greet everyone that came to his home with a bark and lick.

Charlie lived his life for his family...sad to see us go to work and greet us with excitement when we returned. His love was constant and could brighten our dark days with his presence. You could count on his companionship every evening until his last couple of years of his life. The last couple of years, God showed us that his companionship would change and that it was our turn to be there for Charlie. We embraced this charge and have no regrets caring for a then much older gentleman. Thank you to Dr. Carl Grimmert for such impeccable care and for especially your kind heart for understanding how much we loved our furry family member, Charlie.

Charlie- thank you for being the best pet a family could ever have for 17 years! Thank you, God for allowing Charlie to have so much time with his people. We miss him so much but, know that he is running, and using that

sniffer of a nose to look for more adventures until we meet and see him again.
Run free, my sweet boy.
