TD

“ An amazing journey for an amazing dog. When your life began we had you for two wonderful years, stolen from us and you held on until you could get back to us 10 years later. Even though you was sick you made the last year a blessing to us. You always had a spring in your step, love in your heart and always ready for a popsicle !! Stealer of the covers and wet nose kisses. We miss you dearly , you will always be in our hearts. No more pain and running free. See you again as you wait for each of us at Rainbow Bridge. 🐾🐾❤️
