

## Chopper Parish

November 27, 2020

No obituary found for this tribute.

# Tribute Wall

“ *This little fella will be missed. He was the kindest pet that showed his emotions just by looking at you. He was so loving and demanded attention when you walked in the door. I still cry everyday just thinking of him. He is now playing with his brother and sister in heaven. Bye bye little guy Gma will miss you.* ”
