

Chyna Gaines

April 21, 2023

"Chyna was Born on December 19, 2013 and passed on April 21,2023 in the arms of her mommy and NaNa. Chyna's favorite things were snacks, kisses, back rubs, unlimited trips outside and cuddles. Chyna taught me what unconditional love was. She was everything I didn't know I needed. Chyna Blessed Us with nine wonderful years. She was the sweetest and most gentle baby we could ask for. I'm so Happy and Proud I was about to do life with you. You sensed and understood all my moods and emotions. If you thought I was in distress you were coming to figure out what was wrong.

You're no longer here to greet us as we walk through the door. I still look and listen for you when I turn the key. I find myself staring at the floor waiting for you to look up. You're not here to make us smile or laugh anymore. Life seems quiet without you; you were far more than a dog to us. You were a daughter, family member, a friend ... a loving soul we'll never forget. I know it will take time – for the silence to go away. I'm finding peace in knowing you, ginger, and king are back together.

Momma still listens for you, and misses you every day. You were such a great companion—constant, loyal and true. My heart will always wear the pawprints left by you. You were the only thing on earth that loved me more than I loved myself." - Tabia
