

Coco Birchet

December 24, 2020 - December 12, 2025

Coco was my fur baby of almost 5 years she was born 12/24/2020 my mom gave her to me on 12/14/2021 she passed an away on 12/12/2025 .

This is the hardest thing that I have ever had to do in my life my heart is shattered into a million pieces and i don't know how to grieve with the loss of my best friend. I thought that I had a life time with her but unfortunately she was taking away from me too soon and it hurts but as the time passes I know I can't live my life on what ifs or why so I live for the days ahead of me as the moments we shared together .

Cocos favorite snack was slim Jim's she would go crazy just hearing the wrapper open he loved to be outside during the summer out on the lake just not in it lol she was well trained listen so well was on top of every command just as if she was human she loved her cloths bc she knew that they was going to keep her warm and she loved to give hugs and cuddles she was absolutely beautiful and perfect in every way RIP MY BABY MAMA LOVES YOU AND YOU WILL ALWAYS BE IN MY HEART FOREVER AND NOONE NOR NOTHING WILL TAKE YOUR PLACE
