

Coco Bowles

December 19, 2019

Our beloved little Yorkshire Terrier Coco Bowles passed away on December 19, 2019, after an extended health battle. She left behind her mom (Lisa), Grandmother (Vivian), and brothers Bosco and Harley, who all miss her terribly. For such a tiny dog, Coco had a big bark and a huge presence; and was always the vigilant “watchdog.” She will live forever in our hearts, and we take comfort in knowing we will see her again on the Rainbow Bridge.

“ It was always a pleasure to hear stories of Coco from her mama, Lisa, as we often talked about our fur babies. My thoughts and prayers are with her family as they grieve her loss. Take comfort in knowing that Coco is finally free of her illnesses.

“ I loved bossy little Coco...what she lacked in size she made up for in personality. She was always the main attraction. I will miss her greatly. Joyce T.
