Coco Chanel Moore

December 2008- February 2020

Our sweet Coco passed away surrounded by her family on February 2, 2020. She left behind her Dad (Scott), Mom (Rhonda), Sister (Ashton), Brother's (Hunter & Heath) and two Feline Brother's (Rigby and Louie). We miss our precious girl much!

Coco loved retrieving balls, digging up rocks, jumping in water any chance she could get and a lot of snuggles. For almost 12 years she lived a very loved and spoiled life. Any one that met her immediately fell in love. She touched a lot of hearts. In her younger days she followed her brother's everywhere they went and was taken on fun trips with her sister. Going "bye bye" was one of her favorite things to do. She loved being able to get a Starbucks Puppuccino and patiently waiting for "just" a bite after her family had dinners. Those big brown eyes were very hard to say no to. She was the best foot warmer and so good at giving all those couch cuddles. She was the ultimate protector of her family and so loyal. We sure are going to miss all that love and those big slobbery kisses. It is hard adjusting to how quiet our home is without our sweet chocolate baby. Although, we are at peace knowing she is no longer suffering. Now she can chase all the balls she wants and run free!

Truly a man's best friend!! We love you so much Coco Puff, forever and always!
