

## Cody Frost

September 24, 2020

"Cody you no longer greet me at the door. Your not there to make me laugh or smile. Life seems quite without you. You were far more than a pet. you were a family member. We still miss you Cody. You were such a great companion, constant, loyal and true. Our hearts will always were the paw prints of you Cody. With love mom and Liz 🐾" - Lisa Taylor-Frost
