“ *I'm not getting out of the truck that's a beast. Loving beast following the kids on a hayride and loving being pounced by 20 kids*

“ *Coleman Roscoe Miller was our first baby, our loyal friend, and our ever present protector. He was the friendliest dog and would greet anyone with a deep bark and a sniff before offering his head for a good scratch. He loved attention, hiking, riding in the back of the truck, and playing with the kids. He could be found being lazy under the house or on the porch most days, usually blocking our way in or out of the door. We will miss Coleman even more than we imagined and wish to have just one more day with him. We love you forever Coleman. 10/31/06-09/05/17*
