"I remeber the day you were brought home. You were a little bitty pup, I will never forget when you first wagged your tail and they day you found your voice and the 2 am zoomies. You were very loving and loved to snuggle but stubborn to the core. You gave us 15 wonderful years. We miss you so much. But I know your in a better place now. I hope you, Bitsy, Hazard and Sprit have reunited and are having a wonder time. Love you." - Jennifer Powell
