“ *Its been a year now. Ive been dreading this day. It still hurts so bad that you arent here. I still think about you. I will never forget you. Even your sister still talks about you. She misses you a lot but she knows youre in heaven having the best time with jesus and grandma! I really wish I could hug you one more time. I love you so much copper!!!!*

“ One month already. It still hurts. I miss you so much buddy... its not the same. Your sister asks for you all the time. She doesn't understand which makes it harder. Your daddy is doing better and so am I. I know you're not hurting anymore and that is enough for me. I love you copper. Dont forget about us up there ☐ tell motitas I miss and love her💕💕
