

## Dixie Rittenhouse

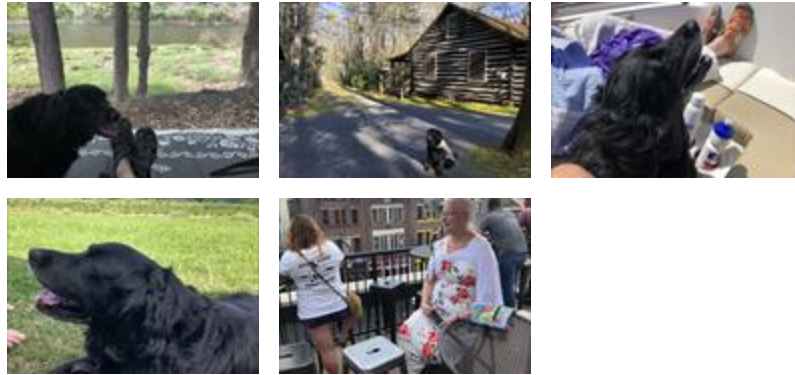

February 8, 2024

"Dixie was a special soul. "Our Happy Girl". Always ready for our travel adventures across the country but happy to come home to her companion, Itty Bitty. She loved to greet everyone she would meet knowing they came 'just to play with her'. She was dear to our hearts and her spirit will always be with us." - Jim Ekdahl

“Dixie was a special soul. “Our Happy Girl”. Always ready for our travel adventures across the country but happy to come home to her companion, Itty Bitty. She loved to greet everyone she would meet knowing they came ‘just to play with her’. She was dear to our hearts and her spirit will always be with us.
