“ *Duchess, you were one of a kind . We couldn't help loving you. You were so full of energy. My heart cried a few weeks ago when your grandmother brought you by the house and I saw how all your energy was missing. Hear your great grandmother misses you outside her door each morning! Somehow you made everyone love you as much as you loved them. Lots of tears are being shed down here but we know you have your energy back and have lots to talk about up there with your friends that we dearly loved down here . We miss them all greatly as well as you, See you guys in the future. Wait up and please watch your table manners. Remember what we told you about sharing!*

“ *Duchess lived in Atlanta, GA. Age 8. She went to heaven on Dec. 9, 2017. She was very loving and playful little girl. She loved her toys and treats. Her animal friends were Princhesa, Milo and Toto. She had a few animal friends (Shadow, Katie, Abby & Coco) that greeted her in Heaven and got to see her receive her "Angel Wings". Her Mom's is Brandi and sister, Princhesa, gave her the best life ever. She had help from Milo's Dad, Neveen. She will always be with us as an Angel watching over us.*
