“ Dug was such a great dog and made us laugh all the time. Whenever you would speak to him it's like he understood every word you were saying. He would tilt his head and just stare at you. He loved helping no matter if you were doing yard work or cleaning the house he always tried to help. His favorite toy was his ball and he loved his piece of wood he found in the garage. He will truly be missed. We loved him and without a doubt we know he loved us right back. Dug always wanted to be in the same room with us never left our side. We love you buddy and will never forget you. ❤️
